Consent to Receive Safety Alert Text Messages

Restoration Systems LLC ("the company") sends safety alert text messages from its Lighthouse system.

1. **What you get.** One text each time an Employee's Report of Injury is filed on a job where you are the branch manager, the project manager or the Superintendent.
2. **What the text holds.** The form name, the job ID, the form date, the person who filed it and a link to the report. The text holds no injury details and no injured person's name.
3. **From.** The company's toll-free number: 877-685-3072.
4. **How often.** Only when a report is filed. The number of texts changes from month to month.
5. **Cost.** The company pays for the texts. Your carrier's message and data rates may apply.
6. **How to stop.** Reply STOP to any text. Or tell the Lighthouse administrator. Reply HELP for help.
7. **Your choice.** This consent is not a condition of your employment. You can stop at any time.
